

DQP CLASSES AND POINTS

CLASS 1 – GENERAL		
<p>Eligibility</p> <p>Hold a minimum of 50pts from the Electrical Class</p>	<p>Recognised Points Generating Activity - General*</p> <ul style="list-style-type: none"> - ACAPMA Introduction to Working on Fuel Sites (30pts / valid 12mths) - ACAPMA Contracted Works Regulatory Townhall (10pts / valid 12mths) - ACAPMA Assessing Onsite Risks Webinar (10pts / valid 12mths) - APFI Forum (Contractor Forum) (10pts / valid 12mths) - WPCG Certified (10pts / valid 12mths) 	
CLASS 2 – ELECTRICAL		
<p>Eligibility</p> <p>Hold a minimum of 50pts from the Electrical Class</p>	<p>Recognised Points Generating Activity - Electrical*</p> <ul style="list-style-type: none"> - QUAL: Certificate III Electrical (30pts / enduring) - ACAPMA Introduction to Working on Fuel Sites (30pts / valid 12mths) - ACAPMA Contracted Works Regulatory Townhall (10pts, valid 12mths) - ACAPMA Assessing Onsite Risks Webinar (10pts / valid 12mths) - APFI Forum (Contractor Forum) (10pts / valid 12mths) - WPCG Certified (10pts / valid 12mths) - Proprietary industry training (10pts / valid 12mths) 	
CLASS 3 – FUEL SYSTEMS		
<p>Eligibility</p> <p>Hold a minimum of 50pts from the Electrical Class</p>	<p>Recognised Points Generating Activity - Fuel Systems*</p> <ul style="list-style-type: none"> - QUAL: New Industry Skill Sets** (30pts / valid 36mths) - Proprietary industry training (20pts / valid 12mths) - Demonstrated project experience – 3 projects (20pts / valid 12mths) - ACAPMA Introduction to Working on Fuel Sites (30pts / valid 12mths) - ACAPMA Contracted Works Regulatory Townhall (10pts / valid 12mths) - ACAPMA Assessing Onsite Risks Webinar (10pts / valid 12mths) - APFI Forum (Contractor Forum) (10pts / valid 12mths) - WPCG Certified (10pts / valid 12mths) 	
CLASS 4 – MEASUREMENT		
<p>Eligibility</p> <p>Hold a minimum of 50pts from the Measurement Class</p>	<p>Recognised Points Generating Activity - Measurement*</p> <ul style="list-style-type: none"> - QUAL: Verify liquid measuring instruments using volume measures (20pts / valid 36mths) - QUAL: User and maintain reference standards (20pts / valid 36mths) - QUAL: Trade measurement verification - liquid measuring instruments using volumetric measures (50pts / valid 36mths) - Regulator proprietary training - verifying fuel dispensers eLearning course (10pts / valid 12mths) 	
CLASS 5 – WHOLESALE OPERATIONS		
<p>Eligibility</p> <p>Hold a minimum of 50pts from the Wholesale Operations Class</p>	<p>Recognised Points Generating Activity - Wholesale Operations*</p> <ul style="list-style-type: none"> - QUAL: Dangerous Goods Licence (30pts / enduring) - QUAL: Certificate III Wholesale Operations Transport (30pts / enduring) - QUAL: Scheduling (20pts / valid 36mths) - QUAL: Mass Management (20pts / valid 36mths) - ACAPMA Introduction to Working on Fuel Sites (30pts / valid 12mths) - ACAPMA Contracted Works Regulatory Townhall (10pts / valid 12mths) - ACAPMA Assessing Onsite Risks Webinar (10pts / valid 12mths) - APFI Forum (Contractor Forum) (10pts / valid 12mths) 	
CLASS 6 – FUEL TRANSPORT		
<p>Eligibility</p> <p>Hold a minimum of 50pts from the Fuel Transport Class</p>	<p>Recognised Points Generating Activity - Fuel Transport*</p> <ul style="list-style-type: none"> - QUAL: Dangerous Goods Licence (40pts / enduring) - ACAPMA Introduction to Working on Fuel Sites (30pts / valid 12mths) - ACAPMA Contracted Works Regulatory Townhall (10pts / valid 12mths) - ACAPMA Assessing Onsite Risks Webinar (10pts / valid 12mths) - APFI Forum (Contractor Forum) (10pts / valid 12mths) - Proprietary industry training (10pts / valid 12mths) 	

* Additional Points Generating Activities are added frequently. More information, visit acapma.com.au/contractors

** Dedicated Fuel System Skills are in development and are expected for release on [DATE].
