INSTRUCTIONS TO APPLICANTS

The Marg Taylor Community Spirit Award is designed to recognise those businesses that have quietly gone that 'extra yard' in supporting the communities in which they operate. These businesses typically don't make a fuss about what they do, but they work to support community organisations, sporting clubs and charitable works within their communities.

They are often the businesses that stand up when their communities are in greatest need. They are the 'first to open and last to close' during times of natural disasters.

Applicants are invited to tell us what they are doing or have done to support their communities. The more detail you provide the easier it will be for us to understand what you have done or are doing in your local community.

You are encouraged to provide any materials (relevant photos or video files, third party endorsements) that support your application.

If you require clarification of any of aspect of the criteria presented in this application, please contact ACAPMA by emailing events@acapma.com.au or calling the national office on 1300 160 270.

Once completed sent form and supporting documents to ACAPMA by emailing events@acapma.com.au
